

University of the Fraser Valley ALUMNI COMMEMORATIVE WINE

Congratulations Graduates!

The UFV Alumni Association marks these momentous occasions with this special limited-edition commemorative wine. Our goal is to foster lifelong relationships between alumni and UFV.

Special thanks to UFV alumnus Colin Mitchell (Dip '97) whose artwork appears on the front label.

Colin Mitchell ('97) completed a Fine Arts Diploma at UFV and a BFA at the University of Lethbridge. His work, featured in several group and solo exhibitions, incorporates elements of sculpture, painting, and photography and is described as contemporary stylistic fusion. The works featured on this year's alumni commemorative wine bottles are built on photographs taken by Colin's grandfather in India during WWII. The photographs had been damaged. Colin preserved and reinterpreted his grandfather's memories by filling in the missing details. With precision brushwork, he skillfully blends where the history ends and the art begins.
