

ALUMNI COMMEMORATIVE WINE

Congratulations Graduates!

The UFV Alumni Association celebrates Convocation 2018 with this special limited-edition commemorative wine. Our goal is to foster lifelong relationships between alumni and UFV. Special thanks to UFV alumnus Colton Floris (GDD '15), whose art appears on the label.

Mountain views of Mt. Cheam and Mt. Baker define the Fraser Valley.

These iconic mountains are represented on the labels of the 2018 University of the Fraser Valley Alumni Commemorative Wine bottles.

Colton Floris was inspired to portray a stylized, graphic representation of the mountains because of their visual impact on the Fraser Valley. He gave them a simplified, clean look in photoshop, using a limited colour palette.

"My biggest inspiration is how the changing seasons or hour of the day affect how we perceive the landscape. Seeing a mountain lit up in an evening glow or on a crisp clear morning can make it feel like you're looking at it for the first time."
