

# UNIVERSITY OF THE FRASER VALLEY 2020 ALUMNI COMMEMORATIVE WINE

## CONGRATULATIONS GRADUATES

The UFV Alumni Association celebrates the graduating class of 2020 with these special limited-edition commemorative wines. Our goal is to foster lifelong relationships between alumni and UFV. Special thanks to UFV alumna Paula Funk (BFA '08), whose art appears on the label.

Her paintings for the 2020 alumni wine labels are inspired by childhood family vacation drives through the Fraser Canyon in the interior of British Columbia. They are from a series of abstract works based on the iconic tunnels of the canyon. The nostalgia of traveling the highway in the

1970s is captured using playful palettes, expressionist mark-making, and simple geometric forms.

Paula is passionate about art, education, and community service — she is happiest when these three things intersect. She maintains her artistic practice alongside full-time work as an academic advisor at UFV. Recent community arts projects include works for Archway Community Services, Run for Water, and the Fraser Valley Regional Library.
