

UNIVERSITY OF THE FRASER VALLEY 2019 ALUMNI COMMEMORATIVE WINE SERIES

CELEBRATING 15 YEARS OF ALUMNI COMMEMORATIVE WINE

Happy 2019! This year marks 15 years since we launched our commemorative wine, with distinctive, artistic label imagery by alumni. The alumni wine labels have been chosen through a contest since their inception. This year, the graphics team in University Relations has designed special labels in honour of the 15-year anniversary.

We have partnered with Chaberton Estates once again for our alumni commemorative wine, and we are also launching a UFV alumni beer this year, in partnership with Canuck Empire, which is run by UFV alumni.

The winners of the alumni wine label competition have taken a variety of approaches to the art over the years, from pastoral landscapes to re-worked vintage photos, to stylized graphics.
